

Exercise 18-14

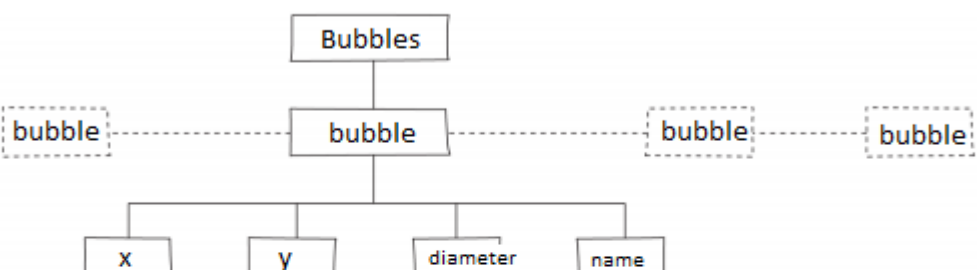

Exercise 18-14: Revisit the Bubble class from Example 18-3. Design an XML tree structure for these Bubble objects. Diagram the tree and write out the XML source. (Use the empty diagram and fill in the blanks below.)

```

<?xml version = "1.0"?>
<_____>
<bubble>
  <_____>160</_____>
  <_____>103</_____>
  <_____>43.19838</diameter>
  <_____>Happy</_____>
</_____>
</bubbles >
  
```

Exercise 18-14: Revisit the Bubble class from Example 18-3. Design an XML tree structure for these Bubble objects. Diagram the tree and write out the XML source. (Use the empty diagram and fill in the blanks below.)

```

<?xml version = "1.0"?>
< bubbles >
<bubble>
  < x >160</ x >
  < y >103</ y >
  < diameter >43.19838</diameter>
  < name >Happy</ name >
</ bubble >
</bubbles >
  
```
